*The Official Price Guide to Knives* Apr 29 2021 From the Bowie knife of the 1820s to the Rambo knife of the 1980s, if it's got a blade, it's in *The Official Price Guide to Collector Knives*. This new edition features histories of major manufacturers, a brand-new market review, collecting and trading tips and more. More than 750 photographs and drawings.

**How to Pronounce Knife** Jun 19 2020 A finalist for the National Book Critics Circle Award and the PEN Open Book Award, and winner of the 2020 Giller Prize, this revelatory story collection honors characters struggling to find their bearings far from home, even as they do the necessary "grunt work of the world." A failed boxer painting nails at the local salon. A woman plucking feathers at a chicken processing plant. A housewife learning English from daytime soap operas. A mother teaching her daughter the art of worm harvesting. In her stunning debut story collection, O. Henry Award winner Souvankham Thammavongsa focuses on characters struggling to make a living, illuminating their hopes, disappointments, love affairs, acts of defiance, and above all their pursuit of a place to belong. In spare, intimate prose charged with emotional power and a sly wit, she paints an indelible portrait of watchful children, wounded men, and restless women caught between cultures, languages, and values. As one of Thammavongsa's characters says, "All we wanted was to live." And in these stories, they do—brightly, ferociously, unforgettably. Unsentimental yet tender, taut and visceral, *How to Pronounce Knife* announces Souvankham Thammavongsa as one of the most striking voices of her generation. "As the daughter of refugees, I'm able to finally see myself in stories." —Angela So, *Electric Literature*

**Mastering Knife Skills** Dec 26 2020 As the number of gourmet home kitchens burgeons, so does the number of home cooks who want to become proficient users of the professional-caliber equipment they own. And of all kitchen skills, perhaps the most critical are those involving the proper use of knives. Norman Weinstein has been teaching his knife skills workshop at New York City's Institute of Culinary Education for more than a decade—and his classes always sell out. That's because Weinstein focuses so squarely on the needs of the nonprofessional cook, providing basic instruction in knife techniques that maximize efficiency while placing the least possible stress on the user's arm. Now, *Mastering Knife Skills* brings Weinstein's well-honed knowledge to home cooks everywhere. Whether you want to dice an onion with the speed and dexterity of a TV chef, carve a roast like an expert, bone a chicken quickly and neatly, or just learn how to hold a knife in the right way, *Mastering Knife Skills* will be your go-to manual. Each cutting, slicing, and chopping method is thoroughly explained—and illustrated with clear, step-by-step photographs. Extras include information on knife construction, knife makers and types, knife maintenance and safety, and cutting boards, as well as a 30-minute instructional DVD featuring Weinstein's most important

techniques.

**Collecting Case Knives** Oct 16 2022 The only full-color price guide devoted solely to Case pocket knives, this book features nearly 1,000 photos, current values for hundreds of pocket knives from 1920 to today, and detailed information about methods for creating knives, quirks of the pattern numbering systems, tang stamps, types of blade steels, and knife shields.

There's a whole world of knives out there waiting for you, and *Knives 2022* is your guide. Jump in!

**A Modern Guide to Knifemaking** Jul 01 2021 In *A Modern Guide to Knifemaking*, survivalist Laura Zerra, one of the stars of *Naked and Afraid* on the Discovery Channel, shares her essential knifemaking tips and tricks, including step-by-step instructions for both forging and stock removal. We all use a knife pretty much every day, but for Zerra, her daily life often depends on the blade she takes with her into the wild. She's learned about what works and what doesn't, what steel will hold an edge, and what nuances in blade design will make or break a knife. From design to sharpening, *A Modern Guide to Knifemaking* covers every step in the knifemaking process. To begin, you will consider what you want your knife to accomplish, develop a design, and make a prototype. Zerra takes you through choosing and buying steel for your knife and then teaches you to build your own forge. You will learn forging basics

and then move on to forge the shape of your knife and make the blade tip. From there, you will cut the blade profile, grind in bevels to make the edge of the knife, heat treat and temper your blade, grind and polish it, and make a handle and sheath for it. You will also learn sharpening techniques to maintain the edge of your new knife. Throughout, Zerra has included Pro-Tips from some of the leading knifemakers working today including Ken Onion, Kaila Cumings, and Mike Jones. *A Modern Guide to Knifemaking* covers every detail of knifemaking so you can make yourself the perfect knife.

**The American Blade Collectors Association Price Guide to Antique Knives** Dec 06 2021 Focuses on knives made from 1800-1970.

**Shooter's Bible Guide to Knives** Nov 24 2020 The new Shooter's Bible Guide to Knives sets the standard for comprehensive publications by carrying on the Shooter's Bible tradition of bringing together more products and information than any other source. With photographs and descriptions of more than 400 knives, readers are treated to product highlights from major manufacturers and custom knife makers. This book brings you from the blacksmith shop to high tech influential designers with insights into blade steel, locking mechanisms, and handle materials. When it comes to knives, this book is the source for the products and the passion.

**Introduction to Knifemaking** Mar 17 2020 This book provides everything you need to know to get a head start on becoming a blade smith. This book is heavily illustrated with over 250 full-color photographs. The text details every aspect of the craft and provides step-by-step instructions as well as teaches tricks of the trade that will make each build a little easier. The book is designed to not only explain each step but also visually depict the process. The book is written for the layman and details making a full tang fixed blade knife by using the stock removal method, hand

forging a hidden tang blade, and crafting a knife from a pre-cut commercially available knife blank. Learn what tools you will need, what steel is the best choice, how to profile the knives shape, how to grind flat bevels, hollow grinds and full flat bevels, how to harden the steel blade so it will be hard enough to hold an edge and strong enough not to break. The book also covers creative aspects of the craft like decorative blade etching and blade textures which allow the maker to transform a standard knife into a one of a kind piece of metal art. Whether it's for hunting or kitchen use, anyone interested in learning how to make a knife will surely find this book informative and indispensable.

**The Art of Knife Fighting for Stage and Screen** Oct 24 2020 *The Art of Knife Fighting for Stage and Screen: An Actor's and Director's Guide to Staged Violence* provides detailed information for the safe use of knives and daggers in a theatrical setting and an in-depth understanding of safe theatrical weapons. The book starts with an extensive safety review, then moves on to the basic techniques of dagger fighting, starting with grip and body postures. Readers will then learn about the basic actions of cuts, parries, blocks, and disarms. During this process, they will explore the connection between body and weapon and start learning the elements of storytelling through choreography. Special attention is given to suicides, threats, and murder and how directors, choreographers, performers, teachers, and students can approach these techniques in a way that is physically and mentally safe. The book also covers the use of throwing knives, knife flips, and other tricks to help add a little flair to your fight. *The Art of Knife Fighting for Stage and Screen* teaches the safe theatrical use of the knife for directors, performers, educators, and students of stage combat.

*The London Knife Book* Apr 17 2020

**The Knife Man** Nov 12 2019 The vivid, often gruesome portrait of the 18th-century pioneering surgeon and father of modern medicine, John Hunter. When Robert Louis Stevenson wrote his gothic horror story of Dr. Jekyll and Mr. Hyde, he based the house of the genial doctor-turned-fiend on the home of John Hunter. The choice was understandable, for Hunter was both widely acclaimed and greatly feared. From humble origins, John Hunter rose to become the most famous anatomist and surgeon of the eighteenth century. In an age when operations were crude, extremely painful, and often fatal, he rejected medieval traditions to forge a revolution in surgery founded on pioneering scientific experiments. Using the knowledge he gained from countless human dissections, Hunter worked to improve medical care for both the poorest and the best-known figures of the era—including Sir Joshua Reynolds and the young Lord Byron. An insatiable student of all life-forms, Hunter was also an expert naturalist. He kept exotic creatures in his country menagerie and dissected the first animals brought back by Captain Cook from Australia. Ultimately his research led him to expound highly controversial views on the age of the earth, as well as equally heretical beliefs on the origins of life more than sixty years before Darwin published his famous theory. Although a central figure of the Enlightenment, Hunter's tireless quest for human corpses immersed him deep in the sinister world of body snatching. He paid exorbitant sums for stolen cadavers and even plotted successfully to steal the body of Charles Byrne, famous in his day as the "Irish giant." In *The Knife Man*, Wendy Moore unveils John Hunter's murky and macabre world—a world characterized by public hangings, secret expeditions to dank churchyards, and gruesome human dissections in pungent attic rooms. This is a fascinating portrait of a remarkable pioneer and his determined struggle to haul surgery out of the realms of meaningless superstitious ritual and into the dawn of modern medicine.

**Hank Reinhardt's Book of Knives** Jul 21 2020 Definitive and compulsively readable<sup>3/4</sup>an illustrated guide to the use in knifefighting and beyond of contemporary knives by long-time Blade columnist and master weaponsmith, Hank Reinhardt. Deadlier than the club, more ubiquitous than the sword, the knife is the universal edged weapon of all humankind. As our society has grown more advanced, and more reliant on technology, there has been an increased interest in the weapons of the past, and this sharp-edged guide to the use of the knife will whet the appetite of expert and layman alike. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Gun Trader's Guide to Collectible Knives Dec 18 2022 The Gun Trader's Guide is the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts, and now is extending their influence to collectible knives. Focusing mainly on old and out of production knives, the Gun Trader's Guide to Collectible Knives is the ideal gift for any knife enthusiast looking to start a collecting of their own. Parts of the guide will focus on the following: • How and where to start your collection • The value of knives and how to determine their value • How to work knife shows • How to care for older knives Each knife featured will have its own short description and will be divided by grade (very good, good, fine, etc.). Fitting in with the Gun Trader's Guide series, this guide will be updated every few years to accommodate the changing market. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
