***Indo-Burma Frontier and the Making of the Chin Hills* Feb 13 2020 This book examines the British colonial expansion in the so-called unadministered hill tracts of the Indo-Burma frontier and the change of colonial policy from non-intervention to intervention. The book begins with the end of the First Anglo-Burmese War (1824-26), which resulted in the British annexation of the North-Eastern Frontier of Bengal and the extension of its sway over the Arakan and Manipur frontiers, and closes with the separation of Burma from India in 1937. The volume documents the resistance of the indigenous hill peoples to colonial penetration; administrative policies such as disarmament; subjugation of the local chiefs under a colonial legal framework and its impact; standardisation of 'Chin' as an ethnic category for the fragmented tribes and sub-tribes; and the creation and consolidation of the Chin Hills District as a political entity to provide an extensive account of British relations with the indigenous Chin/Zo**

community from 1824 to 1935. By situating these within the larger context of British imperial policy, the book makes a critical analysis of the British approach towards the Indo-Burma frontier. With its coverage of key archival sources and literature, this book will interest scholars and researchers in modern Indian history, military history, colonial history, British history, South Asian history and Southeast Asian history.

Home Medicine Bible for Your Japanese Chin Mar 08 2022 Tired of spending thousands of dollars on your pet's medical bills? In clear, easy-to-grasp language, the author covers many of the dietary challenges and medical issues that can easily be solved through proper care, supplements and home remedies.

Your Place in the Universe Jun 18 2020 Explore the known Universe and consider its mind-boggling scale in this crisply illustrated, well-researched picture book from Caldecott Medalist Jason Chin. Winner of the Cook Prize! Most eight-year-olds are about five times as tall as this book . . . but only half as tall as an ostrich, which is half as tall as a giraffe . . . twenty times smaller than a California Redwood! How do they compare to the tallest buildings? To Mt. Everest? To stars, galaxy clusters, and . . . the universe? Jason Chin, the award-winning author and illustrator of Grand Canyon has once again found a way to make a complex subject--size, scale and almost unimaginable distance--accessible and understandable to readers of all ages. Meticulously researched and featuring the highly detailed artwork for which he is renowned, this is How Much is a Million for the new millenium, sure to be an immediate hit with kids looking for an engaging way to delve into perspective, astronomy, and astrophysics. Zo History and Origin, the Mizo, Kuki, Chin Jan 26 2021 History of ZO. , the Mizo, Kuki, Chin. Do you know ZO people, have you heard of ZO? The world is large, that why history books are made for the information, with no doubt you will get to know all about ZO and learn more from what you might have learned of ZO. Here is short introduction on ZO. The term Zo or Jo was mentioned as the name of a people in a few historical publications of the Indo-Burman peoples. Fanch'o" a diplomat of the Tang dynasty of China, mentioned in 862 A.D. a kingdom in the Chindwin valley, whose princes and chiefs were called "Zo". In 1783 Father Sangermo" mentioned "the petty nation called JO.G. A. Grierson" recorded in 1904 "The name is not used by the tribes themselves, who used titles such as ZO or YO or SHO."However, because of the Zo people' frequent contacts with many different people at their borders the available literature is often confused about which people should be designated as ZO or other names. When the British took possession of Bengal and had their contact with Zo people, the Bengalis told them that the Zo were Kuki, a Bengali word which means something like savage or wild hill people. But when the British came in close contact with the Lusei, they realized that they did not call themselves Kuki. Initially the British used the term "Loosye". However, the British later adopted "LUSHAI" as the official designation for Zo people living in the western part of

the Zo country, as the ruling clans of these people were known to them as "Lushai". Getting to know more and evidently the full history of ZO, is in this book titled "ZO History and Origin, the Mizo, Kuki, Chin".

ZO History, Mizo, Kuki, The Chin Jan 06 2022 ZO History, Mizo, Kuki, The Chin. The Becaming of ZO, The primary Wars and crises, The Traditions, Religion and General Environ. Zo people believe they settled in the Chindwin Valley in early times. They know the Chindwin River by different names the Lusei as Run, Meaning River, and the Paihte as Tuikang, meaning white water. Pu K. Zawla in his "Mizo Pi Pu to Ieh an Thlahte Chanchin" suggested. as the year in which Zo people arrived in the Chindwin Valley, and he oelieves that they lived there two or three centuries. The rise of the Tang dynasty brought contact between early Zo people in the Chindwin and the Tang Chinese. The Tang, as widely traveled traders, recorded the existence of three kingdoms in Burma the Pyus, the Pegus (Mon), and the Sak. The Sak kingdom may have been the Zo of upper Burma

The Confessions of a Number One Son Dec 13 2019 In the early 1970s, Frank Chin, the outspoken Chinese American author of such plays as The Chickencoop Chinaman and The Year of the Dragon, wrote a full-length novel that was never published and presumably lost. Nearly four decades later, Calvin McMillin, a literary scholar specializing in Asian American literature, would discover Chin's original manuscripts and embark on an extensive restoration project. Meticulously reassembled from multiple extant drafts, Frank Chin's "forgotten" novel is a sequel to The Chickencoop Chinaman and follows the further misadventures of Tam Lum, the original play's witty protagonist. Haunted by the bitter memories of a failed marriage and the untimely death of a beloved family member, Tam flees San Francisco's Chinatown for a life of self-imposed exile on the Hawaiian island of Maui. After burning his sole copy of a manuscript he believed would someday be hailed as "The Great Chinese American Novel," Tam stumbles into an unlikely romance with Lily, a former nun fresh out of the convent and looking for love. In the process, he also develops an unusual friendship with Lily's father, a washed-up Hollywood actor once famous for portraying Charlie Chan on the big screen. Thanks in no small part to this bizarre father/daughter pair, not to mention an array of equally quirky locals, Tam soon discovers that his otherwise laidback island existence has been transformed into a farce of epic proportions. Had it been published in the 1970s as originally intended, The Confessions of a Number One Son might have changed the face of Asian American literature as we know it. Written at the height of Frank Chin's creative powers, this formerly "lost" novel ranks as the author's funniest, most powerful, and most poignant work to date. Now, some forty years after its initial conception, The Confessions of a Number One Son is finally available to readers everywhere.

Redwoods Nov 04 2021 Jason Chin's Redwoods tells the story of a boy who discovers a book about redwoods and finds himself in their midst as he turns the pages. An ordinary train ride becomes and extraordinary trip to the great ancient forests. A subway trip is transformed when a young boy happens upon a book about redwood forests. As he reads the information unfolds, and with each new

bit of knowledge, he travels--all the way to California to climb into the Redwood canopy. Crammed with interesting and accurate information about these great natural wonders, Jason Chin's first book is innovative nonfiction set within a strong and beautiful picture storybook. Chin's approach makes Redwoods a must-have common core tool for teachers and librarians introducing scientific principals to young students.

Lily Chin's *Crochet Tips and Tricks* Apr 16 2020 Toss Lily into your project bag and bring her stitching savvy, troubleshooting techniques, and no-frills know-how wherever your crocheting takes you! Every crocheter, from the newest beginner to the most versatile expert, needs an accessible technique guide. And who better to compile one than Lily Chin—the author of four hugely popular knitting and crocheting manuals, a veteran teacher, and one of the fastest crocheters in the world? Lily Chin's *Crochet Tips & Tricks* compiles more than 75 of her best techniques—some collected from her regularly sold-out classes, many more never seen before—into one comprehensive, pocket-size guide. This book is filled with simple solutions to every crocheter's pet peeves, as well as nonstandard approaches to some of the biggest crocheting bugaboos. At the end of it, you'll be left with one satisfying question: "Why didn't I think of that?!"

Though I Get Home May 30 2021 “A welcome read in American contemporary literature. *Though I Get Home* is an intimate and complex look into Malaysian culture and politics, and a reminder of the importance of art in the struggle for social justice.” —Ana Castillo, author of *So Far from God* and prize judge In these stories, characters navigate fate via deft sleights of hand: A grandfather gambles on the monsoon rains; a consort finds herself a new assignment; a religious man struggles to keep his demons at bay. Central to the book is Isabella Sin, a small-town girl—and frustrated writer—transformed into a prisoner of conscience in Malaysia’s most notorious detention camp. Winner of the Louise Meriwether First Book Prize, YZ Chin’s debut reexamines the relationship between the global and the intimate. Against a backdrop of globalization, individuals buck at what seems inevitable—seeking to stake out space for the inner motivations that shift, but still persist, in the face of changing and challenging circumstances. YZ Chin was born and raised in Taiping, Malaysia. She now lives in New York, working as a software engineer by day and a writer by night.

Court Life in Chin Aug 13 2022 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

From a Whisper to a Rallying Cry: The Killing of Vincent Chin and the Trial that Galvanized the Asian American Movement Sep 14 2022 Winner of the 2021 Boston Globe Horn Book Award for Nonfiction Longlisted for the 2021 National Book Award for Young People's Literature Finalist for the 2022 YALSA Award for Excellence in Young Adult Nonfiction An NPR Best Book of 2021 A Washington Post Best Children's Book of 2021 A Time Young Adult Best Book of 2021 A Kirkus Reviews Best Children's Book of 2021 A Publishers Weekly Best Young Adult Book of 2021 A School Library Journal Best Book of 2021 A Horn Book Best Book of 2021 A compelling account of the killing of Vincent Chin, the verdicts that took the Asian American community to the streets in protest, and

the groundbreaking civil rights trial that followed. America in 1982: Japanese car companies are on the rise and believed to be putting U.S. autoworkers out of their jobs. Anti-Asian American sentiment simmers, especially in Detroit. A bar fight turns fatal, leaving a Chinese American man, Vincent Chin, beaten to death at the hands of two white men, autoworker Ronald Ebens and his stepson, Michael Nitz. Paula Yoo has crafted a searing examination of the killing and the trial and verdicts that followed. When Ebens and Nitz pled guilty to manslaughter and received only a \$3,000 fine and three years' probation, the lenient sentence sparked outrage. The protests that followed led to a federal civil rights trial—the first involving a crime against an Asian American—and galvanized what came to be known as the Asian American movement. Extensively researched from court transcripts, contemporary news accounts, and in-person interviews with key participants, *From a Whisper to a Rallying Cry* is a suspenseful, nuanced, and authoritative portrait of a pivotal moment in civil rights history, and a man who became a symbol against hatred and racism.

Chin Feb 19 2023 This true crime biography chronicles the life of the so-called "Oddfather" who ran a powerful NYC crime family while playing crazy to avoid prosecution. Vincent "Chin" Gigante was a professional boxer before discovering his true calling as a ruthless contract killer. When Vito Genovese went to prison, he picked Gigante to run the Genovese crime family in his absence. While raking in more than one hundred million for the family, he routinely ordered the murders of mobsters who violated the Mafia code—including John Gotti. At the height of Gigante's reign, the Genovese Family was the most powerful in the United States. And yet he was, to all outside appearances, certifiably crazy. He wandered the streets of Greenwich Village in a ratty bathrobe and slippers. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, Gigante admitted himself to a mental hospital—evading criminal prosecution while maintaining his nefarious operations. It took nearly thirty years of endless psychiatric evaluations by a parade of puzzled doctors for federal authorities to finally bring him down.

Bi Mat Cua Cac Hanh Tinh Thu Chin Apr 28 2021 The Secret of the Ninth Planet (Vietnamese edition)

Japanese Chin Feb 07 2022 From the Land of the Rising Sun comes the delightful and affectionate toy dog known as the Japanese Chin, revered for centuries as a palace treasure and today counted among the world's most beloved companion dogs. This Comprehensive Owner's Guide, written by Juliette Cunliffe, provides an entertaining portrait of the Chin's origins and history, including Commodore Perry's famous door-opening visit to Japan, the breed's rise to the favor of England's Queen Alexandra, and the Chin's introduction to the United States. In the chapter on the breed's characteristics, the author reveals her insight into this "happy little character with a down-to-earth, yet bumptious, personality." Potential owners are made aware that, despite his small size, the Chin has a larger-than-life approach to the world, and that as a home companion, the Chin demands affection and little else, being a naturally clean pet, often compared to a cat in cleanliness, sophistication, and self-awareness. In the home of a loving owner, the Chin will thrive and become a superb addition to the family, even one with children and cat or two! New owners will welcome the well-prepared chapter on finding a reputable breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are

illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

Grand Canyon Jan 14 2020 Rivers wind through earth, cutting down and eroding the soil for millions of years, creating a cavity in the ground 277 miles long, 18 miles wide, and more than a mile deep known as the Grand Canyon. Home to an astonishing variety of plants and animals that have lived and evolved within its walls for millennia, the Grand Canyon is much more than just a hole in the ground. Follow a father and daughter as they make their way through the cavernous wonder, discovering life both present and past. Weave in and out of time as perfectly placed die cuts show you that a fossil today was a creature much long ago, perhaps in a completely different environment. Complete with a spectacular double gatefold, an intricate map and extensive back matter.

The Analects Jun 30 2021 One of the most influential books in human history, in a revelatory new translation The book that the Chinese have returned to repeatedly for reflection, renewal, and validation of their own views, The Analects was compiled by the disciples of Confucius, China's earliest teacher and moral thinker, from his remarks and his conversations with rulers, political operators, and people he happened to meet. It laid the foundation of the Chinese idea of what is moral and what is politically viable, what is a good government and who has integrity. Featuring both the English and Chinese texts, this new translation, by one of the pre-eminent scholars of Confucius, draws on the most recent excavated manuscripts and centuries of scholarship to illuminate the historical context of Confucius' teachings, explaining who the many local figures referenced are, and navigating a rich tradition of commentaries. The result is a map of Confucian thought that brings us as close as possible to experiencing Confucius as his followers might have 2,500 years ago. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Endogenous Origins of Economic Reforms in India and China Jul 12 2022 'Attitudinal change' in the context of economic reforms has been referred to in Rodrik and Subramanian (2005), DeLong (2003), Kohli (1989), and Panagariya (2004, 2008). This dissertation provides empirical support for this literature,

establishing an earlier start for India's economic policy liberalisation than presented in stylized accounts. It demonstrates the endogenous nature of the origins of these policy shifts. 'Attitudinal change' literature had directed attention to the need for further research into India's policy changes of the early 1980s and for studying broader comparability issues in other developing countries. This research makes a contribution towards filling these gaps. This dissertation shows that India started its economic liberalisation under the Indira Gandhi administration from 1980 to 1984. These findings depart from the conventional view that India's economic policy changes were initiated by the Narasimha Rao government in 1991, or by the Rajiv Gandhi administration in the mid to late 1980s. The dissertation establishes that policy shifts of the early 1980s had endogenous origins in the political leadership's attitudinal changes. The Indira Gandhi administration of the early 1980s revisited the statist policies of its previous tenure from 1966 to 1977. The new approach entailed more openness towards private enterprise, scaling back the role of the public sector, and starting India's integration into the global economy. The dissertation also discusses the comparable role of attitudinal changes at the start of China's policy liberalisation led by Deng Xiaoping from 1978 to 1982. It focuses on the significance and challenges faced by China's political leadership in bringing about societal attitudinal change. The dissertation concludes by drawing comparisons between India and China, developing a linkage between their endogenous attitudinal changes and economic policy liberalisation.

Grammar and Christianity in the Late Roman World Nov 11 2019 Between the years 350 and 500 a large body of Latin artes grammaticae emerged, educational texts outlining the study of Latin grammar and attempting a systematic discussion of correct Latin usage. These texts—the most complete of which are attributed to Donatus, Charisius, Servius, Diomedes, Pompeius, and Priscian—have long been studied as documents in the history of linguistic theory and literary scholarship. In *Grammar and Christianity in the Late Roman World*, Catherine Chin instead finds within them an opportunity to probe the connections between religious ideology and literary culture in the later Roman Empire. To Chin, the production and use of these texts played a decisive role both in the construction of a pre-Christian classical culture and in the construction of Christianity as a religious entity bound to a religious text. In exploring themes of utopian writing, pedagogical violence, and the narration of the self, the book describes the multiple ways literary education contributed to the idea that the Roman Empire and its inhabitants were capable of converting from one culture to another, from classical to Christian. The study thus reexamines the tensions between these two idealized cultures in antiquity by suggesting that, on a literary level, they were produced simultaneously through reading and writing techniques that were common across the empire. In bringing together and reevaluating fundamental topics from the fields of religious studies, classics, education, and literary criticism, *Grammar and Christianity in the Late Roman World* offers readers from these disciplines the

opportunity to reconsider the basic conditions under which religions and cultures interact.

The Japanese Chin - A Complete Anthology of the Dog Oct 23 2020 The Japanese Chin - A Complete Anthology of the Dog gathers together all the best early writing on the breed from our library of scarce, out-of-print antiquarian books and documents and reprints it in a quality, modern edition. This anthology includes chapters taken from a comprehensive range of books, many of them now rare and much sought-after works, all of them written by renowned breed experts of their day. These books are treasure troves of information about the breed - The physical points, temperaments, and special abilities are given; celebrated dogs are discussed and pictured; and the history of the breed and pedigrees of famous champions are also provided. The contents were well illustrated with numerous photographs of leading and famous dogs of that era and these are all reproduced to the highest quality. Books used include: My Dog And I by H. W. Huntington (1897), The Kennel Encyclopaedia by J. Sidney Turner (1908), About Our Dogs by A. Croxton Smith (1931) and many others.

Hail to the Chin May 18 2020 New York Times bestseller Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad's favorite jokes about getting older was: "I went out for coffee when I was twenty-one and when I got back I was fifty-eight!" I get what he meant now. Time flies. My first book, If Chins Could Kill: Confessions of a "B" Movie Actor, was published back in 2001 and it chronicles the adventures of a "mid-grade, kind of hammy actor" (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an "Act II" if you will, could be considered my "maturing years" in show business, when I began to say "no" more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from Evil Dead to Spider-Man to Burn Notice was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you'll come along for the ride. - Bruce "Don't Call Me Ash" Campbell

There and Back Nov 16 2022 NEW YORK TIMES BESTSELLER • The Academy Award-winning director of Free Solo and National Geographic photographer presents the first collection of his iconic adventure photography, featuring some of the greatest moments of the most accomplished climbers and outdoor athletes in the world, and including more than 200 extraordinary photographs. "An extraordinary work of art."—Jon Krakauer Filmmaker, photographer, and world-class mountaineer Jimmy Chin goes where few can follow to capture stunning images in death-defying situations. There and Back draws from his breathtaking portfolio of photographs, captured over twenty years during cutting-edge expeditions on all seven continents—from skiing Mount Everest, to an unsupported traverse of Tibet's Chang Tang Plateau on foot, to first ascents in

Chad's Ennedi Desert and Antarctica's Queen Maud Land. Along the way, Chin shares behind-the-scenes details about how he captured such astounding images in impossible conditions, and tells the stories of the legendary adventurers and remarkable athletes he has photographed, including Alex Honnold, the star of his Academy Award-winning documentary film Free Solo; ski mountaineer Kit DesLauriers; snowboarder Travis Rice; and mountaineers Conrad Anker and Yvon Chouinard. These larger-than-life images, coupled with stories of outsized drive and passion, of impossible goals with life or death stakes, of partnerships forged through incredible hardship, are sure to inspire wonder and awe.

Face Reading Essentials Sep 21 2020 Every Face Has a Story to Tell The ancient practice of Mian Xiang is now condensed into easy-to-digest nuggets of information. Los violinistas: "El viejo Rey Cole" y "Eh, chin, chin" (The Fiddlers: Old King Cole and Hey Diddle, Diddle) Oct 15 2022 A king sits in the throne room. The bowl and spoon provide soup for the king. The cat, dog, and cow provide music for the king. When the music gets too loud, the dish runs away with the spoon.

The Other Side of Paradise Jul 20 2020 No one knew Staceyann's mother was pregnant until a dangerously small baby was born on the floor of her grandmother's house in Lottery, Jamaica, on Christmas Day. Staceyann's mother did not want her, and her father was not present. No one, except her grandmother, thought Staceyann would survive. It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years. But when the three were separated, Staceyann was thrust, alone, into an unfamiliar and dysfunctional home in Paradise, Jamaica. There, she faced far greater troubles than absent parents. So, armed with a fierce determination and uncommon intelligence, she discovered a way to break out of this harshly unforgiving world. Staceyann Chin, acclaimed and iconic performance artist, now brings her extraordinary talents to the page in a brave, lyrical, and fiercely candid memoir about growing up in Jamaica. She plumbs tender and unsettling memories as she writes about drifting from one home to the next, coming out as a lesbian, and finding the man she believes to be her father and ultimately her voice. Hers is an unforgettable story told with grace, humor, and courage.

Adopting in Chin Aug 21 2020 With more than 4 million Chinese baby girls in orphanages, the number of Americans adopting these orphans is steadily increasing, and this resource for people interested in doing so outlines what to do, where to go, who to see, and how much it costs. Simplifying important

information about procedures, forms, and agencies, the guide is also the p...
