Edgar Cayce's ESP Oct 23 2020

One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce--and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In **Edgar Cayce's ESP**, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a wealth of

proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. **Todeschi** focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history.

The Women's Book of Healing Sep 14 2022 Women are naturally healers. Throughout time, they have performed curative roles as mothers, midwives, caregivers, and wisewomen, but modern medicine has suppressed this important tradition. Ancient women healers knew that the body is more than what is seen: through body, emotions, mind, and spirit, we can connect with the Goddess and actively choose to heal ourselves and others. By relearning and using ancient skills like aura and chakra work, creative visualization, meditation, laying on of hands, psychic healing, and working with crystals and gemstones, women can prevent or transform many dis-eases of the body and spirit before they become matters for modern medicine. In THE WOMEN'S BOOK OF HEALING, Diane

Stein, author of the best-selling ESSENTIAL REIKI, demystifies, explains, and teaches these skills in ways that modern women can learn and use. She first introduces basic healing, then applies those skills to healing with crystals and gemstones—a beautiful, effective, and empowering aspect of the ancient woman's healing methods. A comprehensive guide from a knowledgeable healer, THE WOMEN'S BOOK OF HEALING proves that well-being is within a woman's choice and natural abilities, and reaffirms her timeless role as healer of herself and others. • An affirmation of woman's traditional role as healer, speaking to a national trend toward alternative medicine and natural healing methods. • Demystifies, explains, and teaches the healing capabilities of auras, chakras, laying on of hands, crystals, gemstones, and colors. • Thoroughly revised and updated, with a new introduction. • Diane Stein's books have sold more than 600,000 copies.

All Women Are Healers Jan 18 2023 "By the study, experimentation and practice of natural healing, women are changing and charting the future of health care. Despite heavy resistance or lack of recognition from patriarchal medicine, they are nevertheless making positive changes that will continue and increase.

Women's emphasis on one-to-one work practiced in mutual agreement and participation is very different from mechanized and big-money medicine, and has results and successes far beyond expectations. The emphasis on self-healing returns health care to the consumer, to women's lives and bodies, for the first time in centuries. The medical system cannot control a movement held in the hands of women, though it may try. Women are taking control again of healing, our daughter-right, for the first time since the matriarchies and the Inquisition."—from the Introduction

The Simple Road Nov 23 2020 This elegant, concise guide by the founder of the University of Philosophical Research distills a lifetime of spiritual seeking into one beautiful, unforgettable blueprint for inner growth. "When you grow exhausted with all of today's spiritual programs, axioms, seminars, and techniques; when you feel fatigued from searching and cannot find a way forward; when it seems that years of seeking have netted so little - throw yourself upon the essential truths in this book...It can be lifesaving." -- Mitch Horowitz, from the introduction For more than a half-century, Obadiah Harris has studied the spiritual path, holding ministerial pulpits in traditions ranging from Pentecostalism to New Thought, and directing programs in continuing education, community-outreach, and distance-learning

at major universities. He has worked with the ideas and legacies of spiritual icons ranging from Manly P. Hall, author of the landmark *The Secret Teachings of All Ages*, to Ernest Holmes, founder of the Science of Mind movement, America's most successful and intellectually rigorous New Thought congregation. When he was growing up in rural Oklahoma, Harris's family provided the first pulpit to internationally known televangelist Oral Roberts. As a scholar and seeker, Harris has traversed and helped shape broad swaths of our modern spiritual landscape. Now, he distills the insights he has found -- all of them potent, powerful, and, above all, useful -- in *The Simple Road*. *The Simple Road* is more than a book. This concise statement is a spiritual GPS that guides the earnest seeker past dead-ends and switchbacks to locate the path that most intimately and directly connect us with the Source of all life. The methods and ideas in this book can help rescue you from a crisis and provide a daily source of practice. This brave work addresses head-on topics that are often shunned or ignored in works of "proper" theology, including the question of physical healing by spiritual means -- a topic treated with deepest seriousness -- and with the existence of hostile forces that test us on the spiritual path. *The Simple Road* is balm for parched souls. Whatever tradition you belong to, or if you belong to no one tradition, *The Simple Road* helps you locate the thread of

universality that runs through all faiths, and leads you to practices, prayers, methods, and parables that lift your daily journey to a higher, better place. This brief, powerful book can bring you literally life-saving solace when facing life's entanglements.
