Harvest Festivals Around the World Dec 05 2021 Describes
the festivals and holidays celebrated by various

cultures around the world at the autumn equinox or harvest time.

Festivals Around the World Feb 24 2021 Discover and Learn is a visually stimulating series that explores core areas of learning. This series uses eye-catching imagery, informative diagrams and fascinating facts to bring key subject areas to life.

What Do You Celebrate? Dec 17 2022 This entertaining book introduces kids to 14 holidays, from Brazilian carnival and Chinese New Year to Day of the Dead. Each spread showcases a different holiday, offering background, cultural context, vocabulary words, photographs, and instructions for festive projects. Full color.

Korean Celebrations Oct 03 2021 Korean Celebrations takes young readers on an exciting exploration of Korea's colorful festivals and family celebrations--wonderful days that are filled with exciting activities and delicious foods. This book allows children to experience Korean culture firsthand by involving them in games, crafts, stories, foods and other activities like the following: Preparing and enjoying delicious Songpyeon--sweet dumplings that everyone loves to eat on Chuseok (Korea's version of Thanksgiving) Folding a paper carnation--a favorite Parent's Day gift! Making your own board game to play Yut-Nori--a game of luck and strategy that's played during Seollal, Korea's all-important New Year celebrations Writing simple Korean phrases using the Hangul alphabet, Korea's written language--which is celebrated with its own holiday (Hangul Day)! Making a paper fan--something kids always like to do when the hot summer holidays roll around! Making your own Pepero chocolate cookies or pretzel treats--which have their own just-for-fun festival day called Pepero Day In this book, kids will learn about many special Korean celebrations and festivals such as: Dano--the end of the

planting season which is full of fun competitions like wrestling and swinging contests Children's Day--a spring day off from school, when parents take their kids out for a day of fun Daeboreum--a holiday to celebrate the moon, filled with special dances, twirling fire, lots of walking and, of course, special foods Special birthdays--(like turning one, or turning sixty) and other family celebrations. Buddhist and Christian holidays--like Christmas and Buddha's Birthday. ...And plenty more. Because in Korea, a holiday or celebration is always just around the corner! Korean Celebrations allows kids to immerse themselves in the lives of their Korean counterparts with these interactive multicultural activities.

All Around the Year Apr 09 2022 Whether they're decorating Easter trees or celebrating Wagner's birthday by playing recordings of his Ring cycle operas and incinerating a model of Valhalla on an outdoor barbecue to the closing strains of "Gotterdammerung," Americans know both how to create and how to celebrate holidays. Jack Santino's guide to such frivolity is a wonderfully readable exploration of holidays, periods of festivity, and life-cycle rituals and celebrations. Santino draws on history, anthropology, popular culture, and folklore to show the intricate relationships between holidays and the roles that celebrations and rituals play in people's lives.

Managing Cultural Festivals Dec 25 2020 This book aims at renewing the attention on a niche field, Cultural Festivals, so important for valorizing cultural traditions and local heritage visibility as well as social well-being. Following the disruptive consequences of the COVID-19 pandemic, this fragile sector deserves more attention from public authorities and stakeholders at national and European levels with a suitable and dedicated plan of recovery and valorization. This book provides a comparative analysis of Cultural Festivals in

Europe, taking insights from an international range of high-level scholarly contributors. Individual chapters highlight and analyse challenges around the organisation, management and economics of Cultural Festivals. As a whole, the book provides a comprehensive overview of scholarly research in this area, setting the scene for the future research agenda. Matters related to educational programs and new audience development, as well as challenges related to digitalization, are also included. The book employs a tradition versus innovation lens to help readers account for the consequences of the digital revolution, new audience development and an educational agenda. The result is a book which will be valuable reading for researchers, academics and students in the fields of event and cultural management and beyond.

Curious Festivals from Around the World - Geography for Kids | Children's Geography & Culture Books Aug 01 2021
There are thousands of reasons to celebrate and these festivals will show you only some of them. Festivals are reflective of the nations, cultures, traditions and religions. In a way, you can have a glimpse of a nation's way of life based on how festivals are celebrated. Hence, festivals are excellent topics that should be discussed under the umbrella of geography. Grab a copy now!

Harvest Festivals Around the World Nov 23 2020
Introduces the idea of holidays to celebrate the harvest, discussing country fairs, religious services to give thanks, American Thanksgiving, the Jewish feast of Sukkot, and celebrations in India, China, and West Africa.

Celebrate! Nov 16 2022 - Vibrant photos from the Rio Carnival to the Beltane Fire Festival in Edinburgh - With background history, as well as practical information - A gift full of celebratory spirit Every culture likes to party. Traditional celebrations,

whether the Hindu Holi Festival or the Japanese Cherry Blossom Festival, have traveled beyond their origins to become international phenomena. Whether seasonal or religious, such holidays represent the human need for authentic experience, direct encounter, and a sense of time or the spiritual. This volume leads readers back to the roots of these annual events and festivals, exploring their history, meanings, and evolutions. With vibrant photographs as well as practical information on each featured event, it's a captivating journey of cultural exploration and joie de vivre. Text in English and German.

Feasts and Festivals Around the World: From Lunar New Year to Christmas Jan 18 2023 Explore the celebrations and feasts of twelve countries and cultures from around the world! From South Korea to Nigeria to the USA, come celebrate festivals throughout the year! People around the world are celebrating. In Australia, it's Christmas in summer with barbecues on the beach. In Thailand, they're celebrating Songkran, the famous Buddhist water festival. Rhyming text and graphic illustrations pair perfectly and invite young readers to explore the world through mesmerizing festivals. A stunning companion to *Pancakes to Parathas: Breakfast Around the World!*

Kids Around the World Celebrate! May 10 2022 Everyone loves a reason to have a good time, and although cultures around the world have their own unique feasts and festivals, we all share many of the same reasons to celebrate. Now you can learn about the many ways people from around the globe celebrate their special days, and join in the fun! Celebrate Chinese New Year while making chiao-tzu dumplings, then pop over to Saudi Arabia and taste delicious date-nut cookies called ma amoul while celebrating Eid ul-Fitr. Make an elaborate Venetian mask to wear at a masquerade ball in Venice during carnevale, then pound out a festive rhythm on the Igbo drum you made and celebrate the Iriji festival in Nigeria. Eat,

drink, and make merry with the many diverse and exciting crafts, recipes, and activities in this book. No matter what language you say it in, celebrations are fun!

Jewish Festivals Throughout the Year Jun 18 2020

Festivals, with their rich stories and colourful traditions, are an ideal way for children to learn about other cultures. A Year of Festivals introduces the main religious festivals as they occur through the year. The books include prayers, songs, quotations from religious writings, colourful photographs and fun activities to bring the festivals to life and help children join in the celebrations. Endmatter includes a glossary of important terms, a festival calendar for easy reference, a list of books and useful websites for further information and an index

Food and Wine Festivals and Events Around the World Sep 02 2021 Food and Wine Festivals and Events Around the World is a pioneering text that recognises the importance of this rapidly growing aspect of the tourism industry. Food and wine festivals and events play a significant role in rural and urban development and regeneration and the impacts of these events can be far ranging at a social, political, economic and environmental level. This innovative book recognises the development of food and wine festivals as a part of regional and national tourism strategies and uses international case studies to illustrate practice and contextualise theory. Bringing together an international contributor team of experts, this is the first book to study this profitable and expanding area of the tourism industry and provides a unique resource for those studying in the fields of tourism, event management and culinary arts.

A Calendar of Festivals Mar 28 2021 When kids go trick-or-treating on Halloween, they may not know that they

are taking part in an ancient Celtic festival. A Calendar of Festivals is a compelling collection taking readers back to the origins of many festivals celebrated throughout the world—including the Jewish festival of Purim, Russian New Year, the Indian festival of Holi and, of course, Christmas.

Festivals Around the World Jan 14 2020

What Do You Celebrate? Aug 21 2020 Fourteen holidays celebrated around the world come alive in this kid-friendly guide of how to celebrate each holiday. The wide-ranging collection of holidays includes Holi, Purim, Halloween, and more!

Diwali Apr 16 2020 Diwali is a festival that is celebrated by Hindus in October or November every year. Hindus come together to celebrate the start of the New Year. Learn more about the history and traditions of this fascinating celebration in the Festivals around the World series.

Around the World in 500 Festivals Jan 06 2022 Thousands of festivals take place around the world every year. Some have cult followings with tickets that sell out instantly—forty thousand Burning Man tickets sold out in a matter of minutes—some are thrown in little-known faraway places—cities in Benin or San Marino. In this unique volume, Steve Davey, author of the 300,000+ selling book Unforgettable Places to See Before You Die, has created the ultimate, unparalleled book on the subject, showcasing a whopping 500 festivals in 121 countries—far and away more than any other book of its kind. To make it, he traveled the world, comprehensively researched its most dynamic events, and carefully selected the festivals with the most extraordinary highs, a life-affirming buzz. The result is scene-setting descriptions and 270 complementary jaw-dropping photographs—colorful images on every page. It's an energetic celebration of events from Carnival in Rio to the Full Moon Party in Thailand, from the most brilliant

Day of the Dead celebrations to the gooiest food fights, the most over-the-top costumes to the most daring displays of bravado. For ease of reference, the festivals are organized by continent, by region, then alphabetically by country. With dates and locations, they're made accessible to those looking to enhance upcoming trips and those looking for their next big adventure. The compilation is also an instant thrill for the armchair traveler—immediate access to the world's most joyful events. *Around the World in 500 Festivals* was published in a limited print-run in 2013. It's now being given a comprehensive update and new packaging—a thrilling new offering for readers looking to experience new places and cultures when they're most alive.

Celebrations Around the World Feb 13 2020 It's time to party with people around the world! Readers will want to celebrate with the fascinating, diverse peoples featured in this culturally enriching book. Día de los Muertos in Latin America, Festima in West Africa, Loy Krathong in Southeast Asia, and Japan's Obon are just some of the festivals featured. Important vocabulary and cultural concepts are stressed in the accessible text, while striking photographs highlight important associated events.

World Party Sep 21 2020 It's Party Time! - The Rough Guide *World Party* is a detailed guide to the world's best events and festivals. If you've ever thought of partying in Rio, throwing tomatoes in Spain or riding a camel in Pushkar, this guide is for you. Full-colour throughout with detailed accounts of each major festival and insider tips on how best to enjoy each one. The useful 'festival keys' will help you to find the perfect world festival, from the best music, food and arts festivals to long-established religious celebrations to less ancient raves and fruit-throwing events. The guide comes complete with a festival map and calendar with background details and timings for each event. If you

love a party The Rough Guide World Party is for you.
Join the party at worldparty.roughguides.com

Ghost Dancing on the Cracker Circuit Nov 11 2019

Everybody knows about community festivals that celebrate the good ol' days--events like Rattlesnake Roundup, Peanut Days, and Mule Day. Countless towns around the South stage them. They set aside one weekend a year, rope off some parking, and celebrate some local theme on the courthouse lawn or in a nearby pasture, touting lost days of imagined glory. The phenomenon is rapidly proliferating across the region, but until now the deeper significance of these hometown events has not been explored. In *Ghost Dancing on the Cracker Circuit* Rodger Brown takes the reader on a road trip across the South. He visits many festivals and unweaves their webs to find the meaning that underlies them. Contrary to popular interpretation of them as times of celebration and fund-raising, Brown discerns them to be times of mourning. Behind the scrim of jolly slideshows he finds communities responding to economic restructuring and cultural change. As he travels across the South, he absorbs vivid impressions of boosterism and cornball symbolism. Along this comical trail that he terms the cracker circuit he perceives how these seasonal events are staged by white sponsors attempting to resurrect a splendid past that actually never existed. He likens them to legendary Indians ghost dancing in ceremonial performances staged to conjure up a lost paradise. In chapters with such titles as *Stuffing Sin in a Lard Bucker* and *Aunt Bee's Death Certificate* Brown not only sketches intriguing portraits of people and places but also makes fascinating revelations--the political meaning of Green Acres and Gilligan's Island, the real story behind the Hatfield and McCoy Feud, and the surprising role of *The Andy Griffith Show* in contemporary southern mythography. Brown's adventurous, good-natured inspection of this pervasive cultural

curiosity discloses the state of the South at the turn of the millennium.

A Year Full of Celebrations and Festivals Feb 19 2023
Countless different festivals are celebrated all over the world throughout the year. Some are national holidays, celebrated for religious and cultural reasons, or to mark an important date in history, while others are just for fun. Give thanks and tuck into a delicious meal with friends and family at Thanksgiving, get caught up in a messy tomato fight in Spain at La Tomatina, add a splash of color to your day at the Holi festival of colors and celebrate the life and achievements of Martin Luther King Jr. on Martin Luther King Jr. Day. With fact-filled text accompanied by beautifully bright illustrations from the wonderfully talented Chris Corr, prepare yourself for a journey as we travel around the world celebrating and uncovering a visual feast of culture.

Food and Wine Festivals and Events Around the World Feb 07 2022
There is a rapidly increasing number of food and wine festivals taking place around the world and many new festivals and events are now being developed as a deliberate part of a regional or national tourism strategy. It is now recognised that food and wine festivals and events can play a significant role in rural and urban development and regeneration and the impacts of these events can be far ranging at a social, political, economic and environmental level. *Food and Wine Festivals and Events Around the World: development, management and markets* is a pioneering text that recognises the importance of this area of the tourism industry. It brings together an international contributor team of experts and uses leading research to examine the specialist nature of the food and wine festival/event and the linkages that exist between food, festivity and place. Divided into three parts, the book looks at Food Festivals, Wine /Drink Festivals and

Farmers Markets. Each section has an introductory chapter which will set the context and provide an overview of current activity in that particular area. * Uses international case studies to illustrate best practise and contextualise theory. For example, Ramadan festivals in Malaysia, food and drink festivals in Japan, festival based culinary tourism in the US, the Valley wine festival in Western Australia, farmers markets in the UK and many more. * Contains results of 'cutting edge' research carried out at specific food and wine events and festivals, which illustrate best practise and demonstrate the diversity of research methods and events * Suitable for those studying in the fields of tourism, event management, gastronomy/culinary arts, food marketing, rural development, heritage tourism special interest tourism and cultural studies * The first book specifically devoted to the subject of food and wine related events and festivals - one of the fastest growing niches in the tourism and event industries * International case studies from Australia, UK, Malaysia, New Zealand and USA amongst others, reveal the back-stage reality of the food and tourism experience * Contains cutting edge research illustrating best practise, with international contributions from leading names in academia and industry

Around the World in 80 Festivals Jan 26 2021 When do you eat 'bread of the dead', or walk barefoot across red-hot coals? When might you dress up as a demon in a hairy suit and huge horned headdress? What are you celebrating if you climb an 18-metre-high tower made out of buns? Includes a stunning central gatefold that opens out to reveal a calendar of all the festivals featured in the book. This is a visual celebration of festivals from across the globe, from the more familiar to those you might never have heard of before. Discover more about Junkanoo in the Bahamas, Juneteenth in the United States, Matariki in New Zealand and Poland's Great

Dragon Parade. As you journey around the world, explore celebrations of food and drink, nature, culture, religion and history, plus ways to mark the passing of the year.

Festivals Around the World (Oxford Read and Discover Level 3) Jul 12 2022 Read and discover all about festivals around the world. When is the festival of Diwali? What do people do at Halloween? Read and discover more about the world! This series of non-fiction readers provides interesting and educational content, with activities and project work.

International Perspectives of Festivals and Events Nov 04 2021 International Perspectives of Festivals and Events addresses contemporary issues concerning the potential of festivals and events to produce economic, social, cultural and community benefits. Incorporating a range of international perspectives, the book provides the reader with a global look at current trends and topics, which have until now, been underrepresented by current literature. International Perspectives of Festivals and Events includes a broad range of research, case studies and examples from well-known scholars in the field to form a unified volume that informs the reader of the current status of festivals and events around the world. In a fast-moving industry where new theory and practice is implemented rapidly, this is essential reading for any advanced student or researcher in festivals and events.

Time to Celebrate Jun 30 2021

Holidays Around the World Dec 13 2019 Describes more than 3,500 holidays and festivals celebrated around the world. Features both secular and religious events from many different cultures, countries, and ethnic groups. Includes contact information for events; multiple appendices with background information on world holidays; extensive bibliography; multiple indexes.

The Routledge Handbook of Festivals May 30 2021 In

recent times, festivals around the world have grown in number due to the increased recognition of their importance for tourism, branding and economic development. Festivals hold multifaceted roles in society and can be staged to bring positive economic impact, for the competitive advantage they lend a destination or to address social objectives. Studies on festivals have appeared in a wide range of disciplines, and consequently, much of the research available is highly fragmented. This handbook brings this knowledge together in one volume, offering a comprehensive evaluation of the most current research, debates and controversies surrounding festivals. It is divided into nine sections that cover a wide range of theories, concepts and contexts, such as sustainability, festival marketing and management, the strategic use of festivals and their future. Featuring a variety of disciplinary, cultural and national perspectives from an international team of authors, this book will be an invaluable resource for students and researchers of event management and will be of interest to scholars in the fields of anthropology, sociology, geography, marketing, management, psychology and economics.

Literary Festivals and Contemporary Book Culture Mar 16 2020 There has been a proliferation of literary festivals in recent decades, with more than 450 held annually in the UK and Australia alone. These festivals operate as tastemakers shaping cultural consumption; as educational and policy projects; as instantiations, representations, and celebrations of literary communities; and as cultural products in their own right. As such they strongly influence how literary culture is produced, circulates and is experienced by readers in the twenty-first century. This book explores how audiences engage with literary festivals, and analyses these festivals' relationship to local and digital literary communities, to the creative industries

focus of contemporary cultural policy, and to the broader literary field. The relationship between literary festivals and these configuring forces is illustrated with in-depth case studies of the Edinburgh International Book Festival, the Port Eliot Festival, the Melbourne Writers Festival, the Emerging Writers' Festival, and the Clunes Booktown Festival. Building on interviews with audiences and staff, contextualised by a large-scale online survey of literary festival audiences from around the world, this book investigates these festivals' social, cultural, commercial, and political operation. In doing so, this book critically orients scholarly investigation of literary festivals with respect to the complex and contested terrain of contemporary book culture.

Around the World in 500 Festivals Oct 15 2022 Around the World in 500 Festivals is a rare book that will fascinate and inspire. A large-format, beautifully illustrated coffee-table volume, it is a photographic exploration of the richness and variety of the world's most colourful, moving, joyful, and spectacular celebrations. Thousands of festivals, great and small, take place around the world every year. The book contains: - A unique selection of 500 unmissable festivals around the world - More than 200 full-colour photographs that capture the spirit and immediacy of the events - Special features in the form of extended photographic essays - Original research and stunning photography by an internationally recognized writer-photographer Around the World in 500 Festivals takes this approach to a different level. It will help people who want to plan their trip to coincide with a festival. It will also enthrall and inform armchair travelers everywhere. Elegantly designed and lavishly produced, it is exceptional value for money and makes a perfect gift for travellers and readers of all ages, backgrounds, and cultures.

Festivals Around the World Gr. 2-3 Aug 13 2022

Focus on World Festivals Sep 14 2022 Focus on World

Festivals: Contemporary case studies and perspectives provides the reader with a contemporary overview of festival activity from around the world based on over 30 case studies drawn from every continent. Through its case-study focus this book can be utilised in several ways; to examine different types and genres of festivals across the world; to consider in detail specific festivals in specific contexts; to look at management and organisational issues in festival provision, and to illustrate debates and theories pertaining to festivals throughout the world. This book is a companion to 'Focus on Festivals', it is written by a varied mix of academics, practitioners and cultural commentators. It expands many of the central themes and issues to reach a global understanding of festivals. The key themes this book discusses are: * The nature of festivals, festivalisation and the growth of festival provision around the world * Interest in festival's potential economic, social, place-making and political impacts * Festivals as 'glocal' players * The relationship between festivals and tourism * The management and business of festivals in different locations responding to differing social, political and market contexts * The role of festivals in identity making * Festivals as sites of participation, co-creation and experiences It is a dynamic and indispensable text for students in arts and festivals management, events, tourism, creative industries, cultural and public policy, music industry and management courses as well as for festival and events managers, public authorities and existing and potential sponsors. Through the variety of festivals illustrated in this book, the reader will discover that much about the nature of festivals crosses borders, they are a recognisable and growing part of societal and cultural delivery around the globe; their impacts,

economic, social and cultural are a major driver in their development; their popularity with audiences, arts organisations and performers is undiminished in this ever-expanding cultural phenomenon of festivals..

The Big Book of Festivals May 18 2020 Explore some of the most thrilling cultural and religious festivals from around the world! From Diwali, the Indian festival of light, to the Spanish tomato-throwing festival La Tomatina, to the Belgian Festival of Giants, this book is the perfect introduction to some of the world's most incredible cultural and religious celebrations.

Exquisitely illustrated by Liz Rowland, every page is packed with fascinating fun filled facts! Some festivals are outrageously joyful, others are more serious. All of them bring people together to mark the big events in life. So dive into this riotous explosion of colour as we feast, sing, cry and celebrate the diversity of festivals and traditions this wonderful world of ours has to offer. 'Gorgeous.' Reading Time 'Perfect for young children . . . to introduce them to diverse celebrations and cultures.' Read Me Another Story 'Incredibly immersive.' Indian Link
