The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... Each book in the After Hours series is STANDALONE: * One Night of Sin (novella) * One Night of Scandal * One Night of Trouble His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer...and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye. As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill? Miss Ann Pearson has spent years learning the difficult art of the professional cook, and jealously guarding her position in the kitchen of the fancy Coventry Club. When Colonel Sir Orion Goddard asks her to take on a young apprentice, Ann would rather refuse. But Orion is respectful, gruffly charming, and looking out for a girl whom others have neglected, and that is a combination Ann cannot resist. Lingering scandal has taught Orion to make his way along the fringes of polite society without allies or entanglements. Then he meets Ann, who is fierce, passionate, and warm-hearted, and also worth fighting for. If Orion and Ann are to forge a new love, they must first learn to trust each other, and find the courage to overcome old enemies who will do anything to keep the cook and colonel apart. Callum Welsh perfected the art of hating me when we were two kids who believed we'd be forced into marriage. He thought I wanted it, but my only wish had been for him to leave me alone. Then one afternoon, he stole my first kiss. Despite all he'd done, everything changed after that. As the years passed, our hearts thawed, and he no longer hated me. In fact, he loved me enough to make me his wife. Until I ruined everything with one stupid mistake. That hatred returned in the form of cruel words and even crueler deeds. But we weren't kids anymore. I could handle his brand of venom. He would be mine again, even if it cost me the remains of my heart. The greatest journey isn't from England to the States, it's the one that two men take on the way to find each other. Sebastian Brown is on a mission to rescue the Arizona Raptors and a vow he made to a friend in college. Either that or he's on vacation. He's not entirely sure that he's made up his mind yet. Either way, traveling from England, to the arid desert of Arizona isn't exactly a picnic, particularly with the doubts and worries he takes with him. He's turned even the worst of companies around, but faced with the challenge of improving the reputation of a hockey team that everyone seems to hate, he knows his work is cut out for him. Focus is key, but that is easier said than done when Seb is sent into a tailspin by the intriguing Alejandro. Seb's entire marketing plan hinges on making Alex a poster boy for equality and fair play. But with Alex's utter dedication to the game, and his dark secretive eyes, the gorgeous Alex is stubborn, opinionated, doesn't want any part of being the team focus, and

worst of all, doesn't appear to like Seb at all. It takes everything that Seb has to keep his hands off of Alex, but things get out of hand and Seb's life might never be the same again. Alejandro Garcia has had to work hard to get where he's at. Born to Mexican immigrants, his siblings and himself have never had it easy in this new country their parents dreamed of calling home. A native son of Arizona, Alex has always been the odd man out on the ice but he's not going to let a stupid thing like his heritage get in the way of his dreams. He's now a Raptor and he plans to put all that training and collegiate hockey experience to good use. Working hard comes naturally to him. It's something his parents have instilled in him from the time he was a toddler. Being one of a handful of Latino hockey players makes him strive for success with even more determination. His first pro season has had some ups but a lot more downs, but Alex is one stubborn young man and failure is not an option. As the Raptors struggle to rebuild not only their team but their core values, Alex finds himself drawn to one of the owner's friends, a tall, lanky Brit with the face of an angel and an accent and attitude that bewitches and befuddles him. Sebastian is everything he thought he would never be attracted to but he can't push the sexy, older, fun-loving man out of his thoughts. If ever there were a man he would not be able to take home to his parents - not that he can bring a man home since he is deeply closeted - it's Sebastian, but desire knows no socioeconomic, age, or international borders. The heart wants what the heart wants and Alejandro's wants Sebastian. engines. Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind. They say hate is a strong word, but Eileen Parker is certainly no stranger to it. Parker hates her first name, hates her apartment, hates her life. Which, sure, sounds a bit cynical, but after the life that she's led so far, you really can't blame her. With her sophomore year of college overshadowed by circumstances that she never expected, Parker just wants to keep her head down, pass her classes, and take care of the responsibilities that are threatening to destroy her. And then she meets Ash. Ashton Carter is working to fix the messes that he's made, but he's still struggling with dark memories of a night that changed his life. He's definitely not looking for someone to spend forever with, but when he meets Parker, his life changes once again. It doesn't bother him that Parker adamantly refuses to admit to the chemistry between them, or that she's determined to keep him at arms length. Ash is convinced that Parker is everything he never knew he needed, and he's not about to let her slip away. Fighting against overwhelming insecurities and secrets that feel too big to share, the two must make a choice. They can keep running from their pasts, or they can confront them and face their future together. ***This is the first book in a series of standalone novels. Vera De Rossi no longer believes in love ... And thanks to her ex-boyfriend she's also broke, jobless, and staring down the barrel of a court case that could land her in prison. Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. machen süchtig! Super heiß und aufregend, spannend mit Plottwists, die einen überraschen ...”

“Habe es in einem durchgelesen!”

“Unglaublich! Das Buch hat mich verrückt gemacht, mein Herz hat die ganze Zeit wie wild gepocht und ich bin immer noch gefangen in der Geschichte und fühle mich wie ein Laubblatt im Wind, das nur darauf wartet, wieder durch die Luft gewirbelt zu werden von einem der besten Gründe, mich von der Arbeit abzulenken und mich zu verlieren.”

“Diese Buchreihe ist so aufregend und fesselnd. Die atemberaubenden Plottwists, die puren Emotionen und die nervenaufreibende Spannung nehmen mit jedem Buch dieser verlockenden Reihe weiter zu. Ich habe so sehr für Nicholas und Olivia mitgeföhlt. Die Figuren haben sich in mein Herz geschlichen, während sie gleichzeitig meinen Verstand durcheinander gebracht haben. Die fesselnde Geschichte zieht einen schnell in ihren Bann und bringt einen in die Welt des Paares. Bereite dich am besten jetzt schon auf den Cliffhanger und das Warten auf das sechste und letzte Buch in dieser erstaunlichen Reihe vor.”

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also

incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination. When his 12-year-old nephew Seth is dropped off on his doorstep, rancher Josh King, who knows how to run a multi-million dollar business, but knows nothing about adolescent boys, hires former classmate and teacher Cara Donovan to tutor Seth and learns a valuable lesson in love. Original. She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life, and who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do... She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him.
