Let your teaching mentor become your students' writing mentor... ..with engaging mentor texts written and read by Ralph Fletcher... "I wrote all 24 pieces in this book. You'll find an assortment of genres: stories, memoir, poems, essays, and excerpts from novels. The various texts are ordered from easiest (least challenging) to hardest (most challenging). I tried to select short, high-interest pieces. Each one stands on its own with a beginning, middle, and ending. I tried to choose pieces that would bring a sense of closure by the end." ...writer's notes that give students an inside peek into craft... "My Writer's Notes introduce the text, explain my thinking behind various decisions, and point out a few things I want kids to notice. With certain pieces, especially the last three, I highlight revisions I made along the way. I tried hard not to take the mystery out of good writing. Instead these notes are my way of opening the door and leading the student into the text." ...and practical, classroom-tested suggestions like this from your colleagues "One of my students, Suzy, knows that she struggles to provide enough detail in her non-fiction pieces. For her piece about soccer, she told me that she knew she needed to include more details because she didn't want the reader to be confused. We had already read Ralph's "Squirming

Wizards of Recycling," so we looked at the Writer's Notes. Ralph said he had brainstormed questions that readers may have had as they read about worm composting, and he then tried to include the answers to those questions in the piece. Suzy decided that she would write down questions that she thought her reader might still have about soccer and then make sure those questions were answered in her writing. Since both Suzy and I have already developed a relationship with Ralph through his texts, it felt like we were inviting an old friend to join our conference." Kate Norem Morris, Teacher, The Bush School, Seattle, Washington Clifford Allyn Abernathy III (just Cliff, for short) is the oldest of six kids in a family that does everything—fighting, laughing, playing, eating, telling stories, and celebrating the holidays—in a big, often outlandish, and sometimes poignant way. Taking the family from Christmas to Christmas, the chapters of Fig Pudding, narrated by eleven-year-old Cliff, are complete short stories in themselves. Read together, they tell the tale of life in a large, loving family. Besides a fresh look, this edition includes a brand new story. The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug, to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like

there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling. “ The recent rediscovery of *Rebel Private: Front and Rear*, effectively lost for decades, marks an authentic publishing event in the literature of the Civil War. A rare insight into the conflict from the point of view of a Confederate army enlisted man, this compelling memoir has been hailed by historians as a classic and indispensable key to understanding the Southern perspective. Margaret Mitchell even described it as her single most valuable source of research for *Gone With the Wind*. “ This stunning document is the work of a common foot soldier blessed with extraordinary perception and articulateness. After joining the famed Texas Brigade under Stonewall Jackson, Private William A. Fletcher saw action at Second Manassas, Fredericksburg, Gettysburg, Chancellorsville, and Chickamauga. He was wounded several times and escaped from a moving Union prison train before the South ' s surrender. In 1907, he published this powerfully evocative account of his exploits, a volume of frank, detailed recollections that spares none of the horror, courage, or absurdity of war. But a fire destroyed all but a few copies before they could be distributed. One copy, however, did make its way to the Library of Congress, where it was eventually discovered. Today, this colorful work has become the voice of the Civil War front-line grunt, speaking to the modern reader with the

intensity of personal experience and a vividness of detail that gives it a riveting you-are-there quality. ” - Print ed.

“ Get this riveting book. Fletcher ’ s description of Gettysburg surpasses almost everything I ’ ve read anywhere about that battle, including—gasps!—Michael Shaara ’ s *The Killer Angels*. ” —Jeff Guinn, Fort Worth Star-Telegram “ Epitomizes unsung, unintentional greatness.... Readers find themselves in the trenches.... May become seminal reading for Civil War scholars and history buffs. ” —St. Louis Post-Dispatch Winner of the 2015

When his father died, Harrison Candelaria Fletcher wasn ’ t quite two. His mother packed up his father ’ s belongings, put the boxes in a hall closet, and closed the door. The “ man in a box ” remained a mystery, hardly mentioned, and making only rare appearances in stories

when Fletcher or his siblings inquired. Meanwhile, his young Hispanic mother transformed herself into an artist, scouting the back roads and secondhand shops of New Mexico for relics and unlikely treasures to add to her “little shrines,” or descansos. “Look closely,” she’d say to her son. “Everything tells a story.” This book is Fletcher’s literary descanso, a piecing together—from moments and objects and words—of a father’s life, of the life lived without that father, and of his own mixed-race identity. Fletcher’s reflections unfold like a collage, offering a rich array of images and stories of life with his single mother, organizing weekend family car trips to explore graveyards and adobe ruins; of growing up on the fault lines of class and culture; of being a father who never had one of his own to learn from. From incidents and observations, Fletcher assembles a beautifully crafted portrait of his family’s unspoken affliction with loss over the decades, a portrait that finally evokes the father at its heart. In the early twentieth century, when many US unions disgracefully excluded black and Asian workers, the Industrial Workers of the World (IWW) warmly welcomed people of color, in keeping with their emphasis on class solidarity and their bold motto: “An Injury to One Is an Injury to All!” Ben Fletcher: The Life and Times of a Black Wobbly tells the story of one of the greatest heroes of the American working class. A brilliant union organizer and a humorous orator, Benjamin Fletcher (1890–1949) was a tremendously important and well-loved African American member of the IWW during its heyday. Fletcher helped

found and lead Local 8 of the IWW ' s Marine Transport Workers Industrial Union, unquestionably the most powerful interracial union of its era, taking a principled stand against all forms of xenophobia and exclusion. For years, acclaimed historian Peter Cole has carefully researched the life of Ben Fletcher, painstakingly uncovering a stunning range of documents related to this extraordinary man. *Ben Fletcher: The Life and Times of a Black Wobbly* is the most comprehensive look at Fletcher ever to be published. It includes a detailed biographical sketch of his life and history, reminiscences by fellow workers who knew him, a chronicle of the IWW ' s impressive decade-long run on the Philadelphia waterfront in which Fletcher played a pivotal role, and nearly all of his known writings and speeches, thus giving Fletcher ' s timeless voice another opportunity to inspire a new generation of workers, organizers, and agitators. This revised and expanded second edition includes new materials such as facsimile reprints of two extremely rare pamphlets on racism from the early twentieth century, more information on his prison years and personal life, additional recollections from friends, greater consideration of Fletcher from a global perspective, and much more. Vols. 1-26 include a supplement: *The University pulpit*, vols. [1]-26, no. 1-661, which has separate pagination but is indexed in the main vol. In *Holy Boldness*, Susie C. Stanley provides a comprehensive analysis of spiritual autobiographies by thirty-four American Wesleyan/Holiness women preachers, published between

the mid-nineteenth and mid-twentieth centuries. While a few of these women, primarily African Americans, have been added to the canon of American women's autobiography, Stanley argues for the expansion of the canon to incorporate the majority of the women in her study. She reveals how these empowered women carried out public ministries on behalf of evangelism and social justice. Using the tools of feminist theory and autobiographical analysis in addition to historical and theological interpretation, Stanley traces a trajectory of Christian women's autobiographies and introduces many previously unknown spiritual autobiographies that will expand our understanding of Christian spirituality in nineteenth- and twentieth-century America. Includes its Report, 1896-1945. Beginning in 1924, Proceedings are incorporated into the Apr. number. This unique collection of L. M.
